

HOUSEWARMING BASKETS

New Life Furniture Bank of MA collects gently-used furniture and household goods to be provided to individuals and families transitioning out of homelessness at no cost.

A bed to sleep on, a table to eat at, and a pan to cook in help provide stability for our clients, but living in an apartment still comes at a significant cost. The first trip to the store to buy basic household essentials, such as cleaning supplies and toilet paper, can be very expensive for those with little or nothing to begin. A laundry basket filled with practical everyday living items reduces the financial burden of getting started in a new apartment and helps those transitioning from homelessness find stability.

Housewarming baskets are a great option for anyone looking to arrange a remote service activity or involve volunteers under the age of fourteen. **Please contact Amanda Wolfe, Volunteer Coordinator, at amanda@newlifefb.org if interested in organizing a drive for the items listed below and putting together baskets.**

Fill laundry baskets with the items listed. **All items must be new.** One basket will be given per household.

Bar of Soap

Dish Soap

Dustpan & Brush

Household Cleaner

Laundry Detergent

Paper Towels

Scissors

Shower Curtain Liner & Rings

Small Cutting Board

Small Flashlight

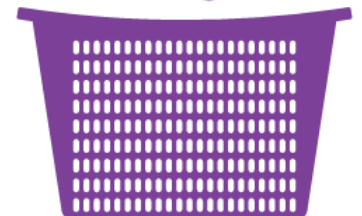

Sponges/Scrubbers

Tall Kitchen Trash Bags

Tissues
